A picturesque city of bridges and towers located in what many people believe to be the “true” Switzerland – picture-postcard Mountains, lakes, cowbells, Alpine villages and meadows full of edelweiss flowers. Here you will have time to wander through the charming streets, and see the famous Lion Monument, which Mark Twain once described as “the most mournful and moving piece of stone in the world”. This is a great place to get souvenirs like Swiss watches and fine chocolates. Dinner and overnight.

Day 5: Lucerne – Excursion to Mt. Titlis – Interlaken (Optional)

You'll leave the big city behind and head for one of the world's most famous mountain ranges – the Swiss Alps. The first destination is Engelberg, the stunning Swiss resort. From here you can opt to board a cable car that takes you to the summit of the impressive Mount Titlis. To reach to the top of the permanently snow-covered Mt. Titlis is by a combination of gondolas over 3 stages.

You'll ascend the last stage by the world's first revolving gondola the Titlis Rotair, that delivers spectacular views of the valleys, glaciers, lakes and forests below, and 360° vistas of the surrounding mountains. At the summit the sun terrace is the perfect place to pause and appreciate the breathtaking panoramas. There's a 150-metre ice cavern through the core of a glacier to explore at the top. Other highlights include walking across Europe's highest suspension bridge for more phenomenal views from Mt. Titlis.

You'll come down from the hills to the lakeside for your next stop. Interlaken is a well know winter “jet-set” town. A small piece of land between two lakes in the middle of Switzerland. Short stop and continue your trip back to Lucerne. Dinner at Indian restaurant. Overnight in Lucerne.

Driving north from Zurich towards the German border, you will pass a stunning lower Alpine landscape that is famed for its vineyards. We'll cross the picture-postcard village farming village of Marthalen. Almost every building appears to be a traditional whitewashed half-timbered house. In Schaffhausen, the town closest to the falls, you will see the 16th century Munot Fortress atop a hill overlooking the old town, which boasts a series of frescoed Renaissance façades. Dinner at Indian restaurant and drop back to the hotel. Dinner and overnight.
