

MILAN 5 DAYS

DAY 1 Arrival to Milan and transfer to hotel

Arrival to Milan, a dynamic and cosmopolitan city in northern Italy, known as the fashion and design capital of the world. Milan is also a major financial center and a hub for art, culture, and business. The city blends historical landmarks like the Duomo cathedral and the Last Supper with modern architecture and a vibrant social scene. Transfer to hotel and free time.

DAY 2 Milan city tour

After breakfast, we will start our adventure by admiring the Sforza Castle, an impressive medieval fortress and one of the most remarkable urban castles in Europe. Once the residence of Milan's ruling family, the castle now houses several museums and art collections.

Next, we will marvel at the majestic Duomo Cathedral, a masterpiece of Gothic architecture and the largest church in Italy. Try to count the 3,200 statues adorning its roof and façade before exploring its stunning interior, included in your ticket.

Afterward, will take a stroll through the Galleria Vittorio Emanuele II, a dazzling 19th-century glass-vaulted shopping gallery filled with elegant shops and cafés. This historic covered passage once connected the Cathedral to the famous La Scala Theatre, allowing Milanese society to reach the theatre without getting wet on rainy days.

We will conclude our experience with the legendary La Scala Theatre, a world-famous opera house, founded in 1778. It has hosted iconic performances by luminaries such as Pavarotti, Maria Callas, and Giuseppe Verdi, cementing its status as a cornerstone of global opera history. Afternoon free for leisure.
