Day 1: PODGORICA- SKADAR LAKE -PODGORICA

Arrival in Podgorica. Meeting with your local representative and start your Skadar Lake adventure, the largest freshwater lake on the Balkan. Skadar Lake is shared between two countries Albania and Montenegro and is an important historical and natural monument for Montenegrin. It has been a National Park since 1983 and was added, in 1996, to the World`s List of Wetlands of International Importance. Your driver will lead you on breathtaking experience during 45 minutes boat trip. The view of the numerous little islands with medieval monasteries and rare bird species is unique bond of history and nature. The fisherman's villages with an authentic architecture, the beaches, coves and the opulent vegetation, carp and as local specialties, crmničko wine and loza brandy - all make the magnificence of the region complete. Drive back to Podgorica and take a short orientation City tour. Starting from the center you will see old bridges from Roman empire, old Turkish part of the town and Clock Tower, winter palace of Montenegro's last king and the magnificent Orthodox Cathedral of the Resurrection of the Christ. Hotel check in, overnight and stay in Podgorica.

Day 2: PODGORICA- MONASTERY OSTROG – ZABLJAK

After breakfast we start for the Ostrog Monastery. The 17th-century Serbian Orthodox monastery is carved into a mountain cliff 2,953 feet (900 m) above the Zeta Valley, and is dedicated to Saint Vasil of Ostrog, who is buried there. Next stop is in Djurdjevica Tara. Built between 1937 and 1940 Tara Bridge, represent one of the most visited attraction in Montenegro. 172 meters above the Tara River, this bridge at the time he finished, was the biggest vehicular concrete arch bridge in Europe and a world famous rafting center. Proceed to Zabljak. Overnight in Zabljak.

Day 3: ZABLJAK – BLACK LAKE – KOLASIN

Breakfast and check out from hotel. Tour at Black Lake in Durmitor National Park. You will experience the beauty and uniqueness of the nature. Black Lake is the most known, largest of 18 glacial lakes in The Durmitor National Park. This lake consists of two smaller lakes: Big and Little Lake. After this tour we proceed to Kolasin. Upon arrival take your time for the dinner in local restaurant and short walk of the city at leisure. Overnight in Kolasin.

Day 4: KOLASIN – BUDVA/TIVAT

Breakfast and today we enjoy more nature. Surrounded by the magnificent virgin forest, located in the heart of the national park, Biogradska Gora, one of the must visit places in Montenegro. 1094 m above the sea this is the largest glacier lake in the Biogradska Gora National Park, Lake Biograd attracts attention because of its beauty and uniqueness. After this adventure we proceed to South Montenegro, the most beautiful part in Adriatic coast, Boka Bay. We will pass Cetinje, the old capital of Montenegro. We will see Cetinje Monastery, where relics of Saint Petar of Cetinje are kept. Only 5 km from Cetinje, lays the biggest Montenegrin cave which we will visit, <<Lipa cave>>. Its a karst cave situated in the Skopska Crna Gora mountains of Montenegro, with a system of about 2.5 kilometers of passages and halls. Departure for Budva, dinner. Overnight in Budva or Tivat.

Day 5: BUDVA – BOKA BAY TOUR - End of Tour

After breakfast we will proceed to Kotor Old town city tour. Kotor is city under UNESCO heritage. Walk between old stone houses through small streets, and visit St. Triphon church and Church St Nikola. Get up at the walls of the old town and take a deserved prize in the form of the most beautiful view of the Kotor Bay. Then continue to another UNESCO protected city the town of Perast. The little baroque town of Perast, the pearl of Kotor Bay, is situated 20 minutes from Kotor. What makes this place unique are two jewel-like islands - one natural (St. George) and one man-made (the Lady of the Rocks). We'll enjoy a short walk along the waterfront, allowing time for taking photos during our visit. Take boat ride to artificial island Lady of the Rock (time permitting). Back from the other side of the bay passing Tivat and Porto Montenegro where we have stop for photo shooting. Transfer to the airport for flight back with all the great memories in your luggage.
