Our tour of the "Eternal City" will begin with the Colosseum, the largest surviving ancient Roman amphitheater in the world, and the Arch of Constantine the Great. Passing through the Via delle Agora in the heart of ancient Rome, we will reach the Capitoline Hill and Piazza Venezia with the massive monument dedicated to Victor Emmanuel II, the first king of a united Italy, which also houses the monument to the Unknown Soldier, the famous Trevi Fountain and finally the bustling Piazza di Spagna. Afterwards, we will be transferred to the magnificent Basilica of St. Peter, the largest church in the world, built on the tomb of the Apostle Peter, where, among other things, we will see Michelangelo's Pieta and the ciborium that dominates the papal altar, a work by Bernini. Afternoon free for leisure
